

TOP SECRET

Director's Meeting

Thursday, 19 April 1951

The Director raised the question of the future of [redacted]. He said that Mr. Dulles should discuss the matter with Acheson, Bradley and Lovett as it would be disastrous for U.S. policy to have him run over. He also asked for a report to present to the President.

25X1

[redacted]

25X1

Mr. Dulles said there was a possibility of making use of [redacted] who is taking a trip for the World Bank.

25X1

[redacted]

25X1

Mr. Dulles presented to the Director and the other Deputies the suggested regulation for the Projects Review Committee.

Mr. Wolf reported that he had talked to Mr. Humelsine who would try to straighten out the matter of administrative liaison with the Department of State.
